THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) Yes, Sir.

(b) to (e) The procedure for registration of firms is governed by the Medical Store's Manual and the orders issued by the Ministry of Health and Family Welfare. Drugs from unregistered firms are not purchased except that during emergencies like flood, drought, earthquake, cyclone etc. Drugs may be purchased from unregistered firms to meet urgent requirement with the permission of the competent authority. Further, drug samples are picked up at random, coded and sent to two different laboratories for testing. There has been occasional departures from the procedure due to unavoidable circumstances like utilization of budget allocation near the end of the year, compliance with urgent indents etc. Any complaint with regard to the irregularities in procedures in the procurement of drugs through Medical Stores is immediately got enquired into and where necessary, through CBI, to fix responsibility on the officials concerned and departmental proceedings are initiated. If any case of supply of sub-standard drugs comes to notice, immediate action is taken to return the available stock to the supplier firm to get replacements. No specific case/demand seeking compensation from any CGHS beneficiary for sub-standard drugs has been received.
